

50 Years of Performance Records

*Select from 50 Two-Year old Bulls and over
90 up and coming impressive Yearling Bulls.*

Take your pick select one or a truckload from a cowherd with close to 50 years of Performance Records, built on maternal strength to perform in any condition and management style.

The vast majority of our cattle sell by Private Treaty. We believe in practical approach – our cattle are raised under the natural conditions as practised by our customers. We stress good, sound-footed cattle with good udders and easy fleshing ability. You are more than welcome to come by for a tour of the cattle anytime.

**We ultrasound more cattle than any other
Horned Hereford breeder in Canada!**
