

## PRACTICAL, EFFICIENT CATTLE ARE OUR LIVELIHOOD!

HOME OF THE LARGEST ULTRA SOUND PROGRAM  
FOR REGISTERED HORNED HEREFORD COWS IN CANADA!

We participate annually in a major feedlot steer trial and we retain ownership of all of our steers to finish. Results are excellent and tell us our herd bulls are siring the right kind.

50 years of  
performance records  
built on  
maternal strength!

*The vast majority of our cattle sell by Private Treaty with a select few chosen for the Calgary and Medicine Hat Bull Sales. We believe in the practical approach – our cattle are raised under the natural conditions as practiced by our customers. We stress sound-footed cattle with good udders and easy fleshing ability.*
